

LAND SURVEY TEAM

HEB Engineers is currently seeking highly motivated individuals to join our Land Survey Team at all levels. Positions are based on experience and may be full-time, part-time, or seasonal. HEB offers employee ownership and fulfilling work opportunities in our growing firm with flexible work schedules and settings. Our generous benefits package includes health insurance, 401k, profit sharing, volunteer time off, and paid time off.

Experience: Previous land surveying experience is preferred.

Education: High School Diploma or equivalent required.

Software: AutoCAD is a plus.

Requirements and Responsibilities:

- » Provide closely supervised technical support to Senior Surveyors for field survey tasks, including assisting in performing boundary, topography, ALTA, right of way, and construction surveys for public and private clients.
- » Opportunities to train and work with surveying technology including GNSS Imaging Receivers and UAV (Drones).
- » Fieldwork is performed throughout New Hampshire and Western Maine and regularly includes hiking in areas that are heavily wooded and/or have rough terrain. While performing the duties of this job, the employee regularly works for sustained periods in outside weather conditions and may be exposed to hot, cold, and inclement weather.
- » May assist in the drafting of plans, depending on experience.
- » This position requires the ability to perform moderate physical work and to lift and carry up to 50 pounds.
- » Valid driver's license required.
- » While experience is not required, basic knowledge of land survey techniques is preferred.
- » Pay rate will be based on experience level.

Please send resume to jgagne@hebengineers.com.
