

## **LAND SURVEYOR – PROJECT MANAGER**

HEB Engineers is currently seeking a highly motivated professional to join our team as a full-time Project Manager in our Survey Group. HEB offers employee ownership and fulfilling work opportunities in our growing firm with flexible work schedules and settings. Our generous benefits package includes health insurance, 401k, profit sharing, volunteer time off, and paid time off.

**Experience:** 5+ years of land surveying experience. Project Management experience preferred.

**Education:** Associate's or Bachelor's degree with a technical background in Surveying preferred.

**Licensure:** LSIT or LLS required.

**Software:** AutoCAD required.

### **Requirements and Responsibilities:**

- » Ability to manage multiple projects simultaneously and interact effectively with team members, clients, and the public.
- » Draft survey plans and review junior staff's plans for accuracy.
- » Perform research, computations, and data analysis.
- » Writes legal descriptions and Surveyor's Reports.
- » Perform fieldwork.
- » Fieldwork will be performed in an outdoor setting, including areas that are heavily wooded and/or have rough terrain. While performing the duties of this job, the employee regularly works for sustained periods in outside weather conditions and may be exposed to hot, cold, and inclement weather.
- » This position requires the ability to perform moderate physical work and to lift and carry up to 50 pounds.
- » Valid driver's license required.
