

SURVEY TECHNICIAN

HEB Engineers is currently seeking a highly motivated individual to join our team as a Survey Technician. This position may be full-time or seasonal with an anticipated schedule of spring through fall; details will be defined upon hiring. HEB offers employee ownership and fulfilling work opportunities in our growing firm with flexible work schedules and settings. Our generous benefits package includes health insurance, 401k, profit sharing, volunteer time off, and paid time off.

Experience: Previous land surveying experience is preferred.

Education: High School Diploma or equivalent required.

Software: AutoCAD a plus.

Requirements and Responsibilities:

- » Provide closely supervised technical support to Senior Surveyors for field survey tasks, including assisting in performing boundary, topography, ALTA, right of way, and construction surveys for public and private clients.
- » Fieldwork will be performed in an outdoor setting, including areas that are heavily wooded and/or have rough terrain. While performing the duties of this job, the employee regularly works for sustained periods in outside weather conditions and may be exposed to hot, cold, and inclement weather.
- » May assist in the drafting of plans, depending on experience.
- » This position requires the ability to perform moderate physical work and to lift and carry up to 50 pounds.
- » Valid driver's license required.
- » While experience is not required, basic knowledge of land survey techniques is preferred.
- » Salary will be based on experience level.

Please send resume to jgagne@hebengineers.com.
